

WAR CERTAIN UNLESS TURKS BACK DOWN

TWO BIG ISSUES PLACED SQUARELY UP TO CONGRESS

TERMS OF BRITISH WAR DEBT PUT BEFORE HOUSES.

ACCEPTANCE SURE Back Up Merchant Marine Program or Suggest Another, Is Harding Demand.

By DAVID LAWRENCE Copyright, 1922, by Janesville Daily Gazette.

Washington—President Harding in his address to congress today placed squarely before that body the responsibility for the success or failure of two major questions in America's economic reconstruction, namely, acceptance of the terms agreed upon with the British for the settlement of the war debt and the making of an American merchant marine.

The president declines to believe either of these matters are solely the executive's responsibility and insists that congress act upon them. Acceptance of the debt settlement is assured but the ship subsidy program is in legislative peril as it can easily be filibustered and killed without permitting a vote to be taken.

Mr. Harding knows this and feels that congress and the country as a whole should know the effect of the president's decision not to leave the executive with a policy of evasion. If congress doesn't approve the administration ship subsidy plan, let it vote the plan down and suggest another. That's the president's request. He wants a definite pronouncement from congress which will aid the shipping board in shaping a policy after April 1st because if ship subsidy fails again.

GOVERNOR PARDONS MOONSHINE CONVICT TO EXERCISE STOCK

Madison—To enable him to go home to take care of a puerile Percheron stallion that hasn't been out of the barn since Sept. 25, Gov. J. J. Blaine Thursday pardoned Edward Ehmke, a Percheron county farmer, serving one year in jail for manufacturing moonshine liquor in violation of the state prohibition law.

"Dumb animals and innocent parties are receiving most punishment for the imprisonment of Ehmke," the governor declared in a statement. "He has 20 head of cattle, 15 horses, a Percheron stallion and some pigs, all to be cared for by the wife and two young children," he added.

"The stock, no doubt, has been greatly neglected, especially the stallion, as the boy cannot take him out and the wife and daughter dare not go near him."

"Under the circumstances, further incarceration only brings greater suffering to the family and additional neglect for dumb animals. The jail sentence, therefore, in default of the fine, is commuted to expire at noon Feb. 8, and the fine is reduced to \$300, the amount he may be able to pay."

JUDGE S. L. PERRIN OF SUPERIOR DEAD

Pneumonia Is Fatal to Well Known Jurist of Wisconsin.

Superior—Judge Solon L. Perrin of the superior and juvenile courts of Superior died late Wednesday. Judge Perrin was one of the most prominent figures of the bench at the head of the state bar. He was taken to St. Mary's hospital, Dec. 22, suffering from pneumonia. He apparently was recovering when pneumonia set in, hospital attendants said.

Born on a farm in Pierce county, near Hudson, Judge Perrin spent his boyhood days in this locality. He came to Superior to practice law 33 years ago. Following the death of Judge H. H. Smith four years ago, Judge Perrin was named successor.

Besides attaining a high rank in superior court work, Judge Perrin became a picturesque character in the local court circles. His interest in the lives of urchins he dealt with and his constant devotion to the betterment of their conditions gained him wide recognition. He took a keen interest in the Boy Scout work in Superior, after being instrumental in its organization.

Judge Perrin, who was 63, lived with his only daughter, Florence, One St. James, arrived from Los Angeles shortly before his father's death. They, with a brother, Dr. Frank Perrin of Prairie du Sac, Wis., survive.

Judge Perrin was a member of the Kiwanis club, Masonic lodge, Elks club and the Civic and Commerce association. He was an eloquent speaker and always in demand at civic events.

\$30,000 Paid in Mothers' Pensions

County Treasurer Arthur M. Church, Thursday, sent copies of his annual report covering mothers' pensions to the secretary of state and the state board of control.

The amount paid out in Rock county in 1922 was \$30,040 and 126 persons benefited. A slight increase in the number and amount is noted each year, Mr. Church said.

Troops Landed as Ship Hits Rocks

ROAD LEGISLATION OF IMPORTANCE IS DECIDED AT MEET

WEIGHT AS BASIS FOR AUTO ASSESSMENT IS SUPPORTED.

BOOST BUS TAX Out-of-State Cars Would be Made to Pay Sum After 10 Days' Stay.

Madison—Federal aid for highway construction to the extent of \$1,500,000 will be made immediately available, it was made known by the joint highway committee of the legislature. Under its provisions, \$711,000 of highway money now lying in the general fund, out of use, will be appropriated to the commission for road building. In addition to \$788,000 appropriated from the general fund in anticipation of excess highway funds after all expenditures legally allowed from license fees on automobiles, are made.

Madison—Decisions of wide importance in highway legislation were made by the joint highway committee of the Wisconsin legislature Wednesday night.

Although final agreement was not reached on a weight tax on automobiles, the members made other determinations that indicate the trend of the legislature on road matters. E. F. Hirst, state highway engineer, after presenting a tentative bill as directed by the committee, was asked again to change its provisions slightly to set a tax on automobiles between certain small steps in weight, rather than by a direct 100 pound basis. This will mean but slight change in the general schedule.

His only child, a 10-year-old boy, was also spanked by the long time, and was instructed by the court to administer the punishment whenever she believed it necessary.

POST OFFICE FUND DENIED JANESVILLE

Wisconsin Cities "Out of Luck" as Building Programs Are Jilted.

Washington, D. C.—Virtually all hope of the building program of 1923 is dashed for Janesville and other federal activities in Wisconsin had faded Thursday. Wisconsin cities, therefore, seemed doomed to discontinue their building programs.

Recommendations were recently made by Secretary Mellon and Postmaster General Work.

Application, additional land, \$50,000; remodeling, \$125,000; new building, \$275,000.

Beloit, additional land, \$14,000; remodeling, \$135,000; additional land, \$40,000; remodeling, \$115,000.

Madison, additional land or new building, \$100,000; remodeling, \$100,000.

Stevens Point, extension and remodeling, \$75,000.

Wausau, extension and remodeling, \$100,000.

The postmaster general and the secretary of the treasury are strongly in favor of the erection of government buildings.

Dollar Woefully Shrunk, Mesdames Yanks Discover

Savannah, Ga.—Some 400 soldiers who returned to America Wednesday, aboard the transport St. Mihel, from the Rhine, and the families of 24 of the men were resting Thursday at Fort Screven, after a busy day here during which they paraded, feasted and danced. The soldiers had just ended a two weeks' voyage.

Their fellow soldiers, with whom they represented the United States at Coblenz as the army of occupation, were en route to Charleston, S. C., aboard the transport, where they will be unloaded.

The wives of the soldiers were to become acquainted with the poignant truth that a dollar is just a dollar and that a soldier in the ranks is paid but 30 or 40 cents each month. While some of the women dismissed, as an annoying bugaboo, the matter of exchange in Germany, others appeared to regard the money question as having direct bearing on their future happiness. The latter realized that when they returned to a nation where a dollar is worth as much for a ticket as a German pays a servant for a month's work.

FORGER, CAUGHT HERE, SENTENCED

Rockford Youth, 19, Given Year in Green Bay Reformatory.

Arrested by Patrolman Leo Lemm after he had attempted to cash a bogus \$14 check on Manager William C. Keeley of the Myers hotel here, Wednesday night, Morris M. Annear, 19, was given a year in reformatory for forgery.

Annear, who claims Rockford as his home and Mineral Point as his birthplace, presented the hotel manager with a check on the Beloit State bank, signed by Russell Van Tassel, a fictitious name. Representing himself to be the payee, he sought to cash the check, but Keeley refused and later notified the police.

Destroyed the Check When questioned by Patrolman Lemm, Annear said he had destroyed the check but did not want to maintain his innocence after taken to the police station and it was not until Thursday morning that he confessed and told his complete story to Sgt. Charles Handy.

"I got hold of two blank checks in Beloit, Wednesday and took them to Rockford where I filled them out, making each for \$14," he is reported to have admitted to the police.

"One of them I cashed all right in Freeport and I planned to cash the other in Janesville. When it was turned down, I tore it up."

Arrested 3 Times Before Not only did Annear confess to the two felonies here and in Freeport but he admitted having been arrested three times in Milwaukee in 1921, twice for forgery and once for being intoxicated and once for being an inmate of a disorderly house.

He gave his address in Rockford as 616 Elm street and his last Milwaukee address as 233 North Lexington. His occupation was given as riveter's helper.

The charge to which he pleaded guilty was attempting to cash a check to which he knew he was not entitled. After being sentenced to a year in Green Bay, Annear was allowed to sign a petition for suspension of sentence and Judge Maxfield announced that he would act on it Friday.

At the same time he will announce his decision as to the 18-months' reformatory sentence imposed on William Duhamel, Jeger, Tuesday, for burglary in the night-time.

The reformatory being under quarantine, it will be several days before any prisoner may be taken there.

Civilians Touchy in Troop Cordon

Duesseldorf—Reports from the Wupper valley, where the French have occupied several textile towns, indicate that the temper of the civilian population is uncertain.

AAT Elberfeld, surrounded by a troop cordon, the people are excited, although the city itself is not occupied. Agents of the "committee for defense and reprisals in the Ruhr" are said to be operating among the civilians.

That the French are prepared to take drastic measures to prevent sabotage is evident from the order not to allow the Ruhr Germans that all persons found damaging railroad property will be sentenced to death.

DOCTOR FLIES TO ICE-BOUND ISLAND AND SAVES LIVES

Charlevoix, Mich.—A man who lay near death three days following an injury while recovering and other persons who are ill, but had been unable to obtain medical attention in their island home were under the care of a physician Thursday, owing to the traditional devotion to his calling of the north country medical practitioner, and to aviation.

The stricken persons are residents of Beaver Island. Their plight was known here, but ice floes prevented boat travel over the 10 mile stretch of Lake Michigan. Wednesday the army air service came to assist the rescue, transporting Dr. R. B. Armstrong to the island, where he performed an operation and saved the life of Jesse Cole, the injured man. At the same time another physician, Dr. Brown, risked his life in a successful crossing of the ice fields. The trip required 14 hours.

Arriving too late to assist Cole, a woodsman who had sustained a fractured skull, Dr. Brown, found numerous residents of the village of St. James ill and badly in need of services.

"BUNDLE DAY" IS SET FOR FRIDAY

All Citizens Asked to Send Clothes to Schools for Near East.

A plea for money and old clothes for the relief of the suffering Armenians was made to high school pupils in their two assemblies, Thursday morning, by Miss Erika Markarian, herself an Armenian, touring this country on behalf of her native people.

Miss Markarian told some of the conditions in Greece, where the Armenians have gone to escape the massacre by the hands of the Turks. She told of how the Greek government has agreed to house the refugees, although there are two million of them, mostly in the small cities.

"It is up to America to do its part now," said Miss Markarian, "to feed and clothe these innocent people who have been so abused."

She urged every man, woman and child to contribute what they could. Each school house will be a station, Friday, and pupils are asked to send with their children what they cannot take to the school themselves, such old clothes as they may have and can spare. "School clothes" need not be new, but they must be clean and properly cared for.

The downtown section may be canvassed for subscriptions, and the money raised will be used to purchase property for the various schools.

Miss Markarian is also addressing grade schools and lunch-clubs, as well as gatherings of women.

Hartin, Parole Jumper, Caught by Beloit Deputy

Robert Hartin, Evansville youth, who is alleged to have violated a four months' sentence on the Paul Loveless farm, was arrested in Beloit, Wednesday night. He was brought back to the Rock County Jail by Deputy Sheriff J. J. Jurtis.

Hartin now faces a penitentiary sentence. He probably will be arraigned Friday.

He was arrested by Judge Maxfield for forgery at Evansville, and escaped from the farm about Nov. 15.

"Insult!" Yells Senator Harrison at Shipping Plea

Washington—Criticizing President Harding for coupling the ship subsidy issue with the tariff, Senator Harrison, in his address to congress Wednesday, Senator Harrison, democrat, Mississippi, told the senate Thursday that the president had "desecrated the altar of the tariff."

The ship bill itself, Senator Harrison said, was "monstrous and wicked," proposing a transfer of \$175,000,000 to the shipping trust. He charged that the president had fallen "under the influence of Chairman Lasker of the shipping board."

"The Lasker pulls the string," he said, "the president jumps."

32 DUROCS SOLD FOR \$43 AVERAGE

McCann Sale Held in Pavilion
Wednesday — Waldman
Sale Thursday.

Thirty-two head of registered Duroc Jersey sows consigned by J. J. McCann and sons, Jansville, sold in the county livestock pavilion on Wednesday afternoon for an average of \$43. The top of the sale was on a spring gilt that carried full bloom and size, going to J. C. Atwater, Bangor, Wis., for \$110.00.

While the McCann consignment carried good blood lines much of the stock lacked final size, efficiency and quality. There was a good crowd attending the sale, there being more than 200 present. A. W. Thompson, York, Nebraska, was the auctioneer.

The next Duroc sale will be on Thursday, February 15, on a consignment of Fred Waldman, Blackhawk stock farm.

The banquet for the annual meeting of the Wisconsin Duroc association will be held in the Jansville Y. M. C. A. on the evening of February 25. About 100 outside breeders are expected to attend the state meeting. Tickets to the banquet will be sold through the Chamber of Commerce.

SCHOOL CHILDREN ENTHUSIASTIC OVER PLAN FOR JUNIOR CLUBS

Visits to the rural schools of Rock county have been rewarded by enthusiastic interest among the boys and girls between the ages of 10 and 15 years in the five Rock county junior clubs. Each township will be covered by either the township supervisors or a member of the regional committee during the next 10 days.

Blankets with the rules and appointment report are distributed among the boys and girls interested. It is required that the juniors first confer with their parents and obtain their consent first. The two most popular clubs are the dairy calf and new pig club.

BREEDERS TO AID ON PREMIUM LIST

Fair Board Committee Calls Conference for Next Tuesday in Court House.

Livestock breeders of Rock county will be called in for a conference next Tuesday, Feb. 13, at the premium committee representing the Jansville fair board. The meetings will be held in the court house.

Important changes are being made to the premium list to satisfy the farmers as far as premiums will allow. No state aid is available if the top prize is more than \$35. It is the plan of the committee to extend over the list of prizes in classes where the state will be considerable competition.

Breeders in Rock county are already showing an interest in the livestock exhibit for the fair. The Rock county show herds will be selected mainly from stock shown at Jansville, this policy giving the committee authority to have the stock selected by an unprejudiced judge. The plans now are for taking out live herds of cattle, five herds of sheep and one for club exhibit. Sheep will be shown by breeders, so that the county will have an exceptional exhibit under the county banner.

Association committee are now combining the county to locate stock that looks good as a prospect for the show herds. There are prospects that the Holstein breeders will win the grand champion, will come to Rock county this month and be eligible for showing with the Holstein herd. It is probable that Rock county will win the show circuit with four aged Holstein sires that bid fair to stand up in any competition. The Shorthorn breeders are also winning at the International putting additional confidence into the owners.

There is to be an attempt to secure additional entries for the show herds to make the exhibits truly representative of the county. The county is seeking to win back the sweepstakes banner and placing early on its livestock exhibits.

Improvements to the fair premium list, it is expected, will give an attraction to many farmers who failed to show stock at the fair in Rock county. The fair board hopes to be able to improve the livestock quarters at the grounds by moving the racing stables and turning the entire section north of the entrance driveway over to farm exhibits.

HOLSTEIN MEETING IN CLINTON SAT.

The next group meeting of the Rock County Holstein association will be held in Clinton Saturday afternoon. Surplus stock is being listed by the association for the information of the directors having charge both the private and public sales. Any Holstein breeder having stock for the county quality sale to be held in the county pavilion May 1, is urged to notify Henry Wieland Jr., Newark, at once.

The group meeting to be held next week is in Avalon on Feb. 11. The Clinton meeting will be held in the Y. M. C. A. and the Avalon meeting in the school house.

PEERING PROWLERS FRIGHTENS WOMEN, ELUDES CAPTURE

Residents in various parts of the city, particularly the Fourth ward, are being annoyed by a window peeper whose activities the past month have frightened a number of women. While the police have been called in most cases, the intruder has made his escape before their arrival. The window peeper was seen in an effort to land the man. Several report they have seen him peering through windows at close range. While this may be a joke, the peeper has been seen in front of a house for a half-hour at a time. His most recent visit was reported Tuesday night from the Fourth ward.

20 NEW FAMILIES ARRIVE IN MONTH

Attendance Officer's Report Shows School Census Now 4,259.

Not only is the city keeping up a consistent gain in the number of families each month, but, as shown through the reports of the attendance officer, the school census is growing larger each month. Thus, while December had seen a gain in the school census of 12, January saw an increase of 17. Withdrawals were fewer for the last month, seven compared to 11. The school census now stands at 4,259. The gross gain for the month, through 20 families, was 23 children.

Eight Wisconsin localities and three from other states represent the new entrants to the city during January. They are Bancroft, Elmwood, Ft. Atkinson, Genoa Junction, Milton, Oakland, Portland Center and Stoughton, all in this state. Chicago and Centralia, Ill., and Duluth, Minn. The occupations of the parents are baker, housekeeper, laborer, machinist, milliner, salesman, with W. T. Dooley and E. O. Edwards as ringmen.

Truancy was higher in January, however, jumping from none to three. Total delinquencies of 13 were reported, three for December being two higher. There were three cases of incorrigibility where there had been none the preceding month.

Miss Bright was occupied, in addition to her office work, with making 30 visits to homes, 62 less than the preceding month, eight visits to the public schools and six to the parochial.

Absence from school was higher than in December, this being usual, as January and February always see many out for various reasons. Of the 2,601 days of absence reported, 231 were of unknown causes, and 2,370 were because of illness, this number being 100 larger than in December, which in turn has been 179 larger than November. The larger part of the illness was unclassified (1163) as compared with 1,316 for December. Contagion was the largest item in the classified list, amounting to 472, the month preceding it being but 333. Colds came next with 317 as compared with 152 for December. Other items under the classification of illness are eyes, ears, teeth, throat, tonsillitis, tonsilectomy, headache, hives, poison, and sore hands and feet, the last named claiming 15.

Illness and death in the family during January caused 70 days of absence, help at home, 81; care of babies, 5; weather, 1, compared with 53 for the last month of 1922; accidents, 40; oversight, 3; lack of clothing, 1; lack of shoes, 8; out of city, 60; 104 days were lost in December for this reason; moving, 10; truancy, 11; and social, but one, compared with 15 for December.

More Mains Are Clogged by Roots

Urgent need of a sewer cleaning machine has been demonstrated twice the past week, according to Street Commissioner Thomas B. McKune, who reports roots clogging the Washington and Madison street sewers. With the aid of a new and makeshift cleaning device he was able to remove the growths from both mains and prevent serious trouble.

The East Milwaukee street sewer was also clogged but this was found to be due to waste from the Blackhawk apartment building, thrown into the drains in violation of regulations, Mr. McKune said.

Two of the street commissioner's men were sent out Thursday morning to clear the gas pond of snow, making it suitable for skating. The City Ice company is now cutting ice in the river along Goose island bathing beach, so a stop has been put to skating there.

The street department's big truck has just been overhauled and repainted a battleship gray, the work being done by John McCue, the street department's painter. The truck will not be overhauled this year.

IOWA PHYSICIAN MAKES STARTLING OFFER TO CATARRH SUFFERERS

Found Treatment Which Healed His Own Catarrh and Now Offers to Send It Free to Sufferers Anywhere.

Davenport, Iowa.—Dr. W. O. Coffey, Suite 1586 St. James Hotel Bldg., this city, one of the most widely known physicians and surgeons in the central west announces that he found a treatment which completely healed him of catarrh in the head and nose, deafness and head noises after many years of suffering. He then gave the treatment to a number of other sufferers and they state that they also were completely healed. The doctor is so proud of his achievement and so confident that his treatment will bring other sufferers the same freedom that he is offering to send a 10 days' supply absolutely free to any reader of this paper who writes him. Dr. Coffey has specialized on eye, ear, nose and throat diseases for more than thirty-five years and is honored and respected by thousands. If you suffer from nose, head or throat noises, snoring, nasal mucus and discharge today. Advertisement.

Wood Nominated as Head of Elks

Officers for the ensuing year for the local lodge of Elks were nominated Tuesday night. Election will be held the first meeting in March. Those whose names were advanced are: Exalted ruler, P. J. De Voe; leading knight, George De Bruin and Earl Puzell; loyal knight, E. R. Hammel; lecturing knight, W. H. Ellis; treasurer, Fred Hoyer; secretary, E. J. Sartell; trustee for three years to succeed himself, L. A. Avery; tiler, Louis Nickerson.

Roger G. Cunningham, present exalted ruler, was nominated as lodge delegate to the grand lodge session at Atlanta next June. The lodge unanimously passed a resolution joining with other Elks lodges of the county calling upon congress to take action to place a ban upon the use and sale of narcotics.

In keeping with the custom of the lodge, Tuesday was past exalted ruler's night, six being present. During the initiation ceremony of three men the following occupied the chairs: Exalted ruler, P. J. De Voe; leading knight, Joseph Scholler; loyal knight, G. C. Homberger; lecturing knight, Will Sayles; esquire, the Rev. Henry Willmann; Charles Snyder was the other past ruler present.

The first meeting in March will be marked by the visit of the district deputy for inspection.

Edward Leary and the Bower City quartet sang Tuesday night.

ORDER IMMEDIATE REBUILDING OF BIN

Immediate construction of a fireproof shavings bin and other precautionary measures have been ordered at the plant of the Bower City Mill work company, as the result of the third fire there in four months and the visit here this week of L. A. Frederickson, of the factory division of the state industrial commission. It was explained to Chief C. J. Murphy that after the second fire, less than two months ago, a contract was let for rebuilding the bin but the work was delayed for various reasons. Mr. Frederickson has threatened to close the plant unless construction is started at once. Chief Murphy said.

CHICAGO WOMAN IS SPEAKER HERE

Carr's Grocery Is Extended to Occupy 2 Stores

With what is probably the most remarkable story of growth of any grocery store in Jansville, the store of J. P. and A. P. Carr, 24 North Main street, is opening Friday and Saturday with additional quarters, adding those used for the past year and a half, in use. The opening is the formal one, as the new half of the store has been used now for a week.

The two Carrs came to this city in 1920 from Chicago, where they had conducted a retail grocery business for 19 years, with the exception of the time they were in the United States army. They are now both members of the Richard Ellis post, American Legion, of this city.

They purchased the store and stock of Ed. Winslow at the present location. Here, through their business ability in offering the people what they wanted, the two brothers have built up a trade that rivals any in the city, and the store can now be called "the biggest grocery store in Jansville." Their business, according to Messrs. Carr, has increased between 30 and 35 percent since they came here, and now with the new quarters and added facilities, a still greater increase is looked forward to.

Next Room Added.

Late in 1922 the business became too heavy for the old quarters which were too crowded, especially on Saturdays, and so the adjoining store, occupied for years by the Star meat market, was purchased and plans made for the renovation. The store was occupied the first of the year when the market moved across the street, walls were torn out and shelves put in. The work was completed only last week.

With its added room, new fixtures, new coat of paint and attractive stock, the store now presents a pleasing appearance, to which is added the excellent service.

An attraction at the store that will be welcomed is the women's rest room. There are also washing facilities in the store. Offices have been moved down stairs to the rear of the new unit.

Favor Newspaper Advertising.

In commenting on the value of newspaper advertising to this business J. P. Carr said: "For a long time we have watched the effect on our business of our daily advertisements in the Gazette and have arrived at the conclusion that Gazette publicity is a tremendously big factor in the successful conduct of this growing business. We believe that 50 per cent of our returns from publicity comes through our ads in the Gazette. Therefore, we have decided to cut out every other kind of publicity and concentrate our entire appropriation for advertising in the Gazette. This will mean that during 1923 the amount of space we use in the Gazette will be practically doubled."

Johnston's Cookies & Crackers

ONE of the most universally liked cookies in the Johnston line is the New England Ginger Wafer. Delicately flavored with real Jamaica ginger, this crisp, thin wafer is a very tasty "top-off" at luncheon or supper. Children and menfolks are, especially fond of New England Ginger Wafers for between-meals. Keep a bag of these delicious cookies on the pantry shelf for your family. Your grocer always has them fresh.

REPUTATION

The man who builds and the man who buys are both beneficiaries of a good reputation. To the one it is a continuous spur and an incentive—to the other the strongest of all guarantees that what he buys is worthy. We sometimes speak of winning a reputation as though that were the final goal. The truth is contrary to this. Reputation is a reward, to be sure, but it is really the beginning, not the end of endeavor. It should not be the signal for a let-down, but, rather, a reminder that the standards which won recognition can never again be lowered. From him who gives much—much is forever after expected. Reputation is never completely earned—it is always being earned. It is a reward—but in a much more profound sense it is a continuing responsibility. That which is mediocre may deteriorate and no great harm be done. That which has been accorded a good reputation is forever forbidden to drop below its own best. It must ceaselessly strive for higher standards. If your name means much to your public—you are doubly bound to keep faith. You have formed a habit of high aspiration which you cannot abandon—and out of that habit created a reputation which you dare not disown without drawing down disaster. There is an iron tyranny which compels men who do good work to go on doing good work. The name of that beneficent tyranny is reputation. There is an inflexible law which binds men who build well, to go on building well. The name of that benevolent law is reputation. There is an insurance which infallibly protects those whose reason for buying is that they believe in a thing and in its maker. The name of that kindly insurance is reputation. Choose without fear that which the generality of men join you in approving. There is no higher incentive in human endeavor than the reward of reputation—and no greater responsibility than the responsibility which reputation compels all of us to assume. Out of that reward and out of that responsibility come the very best of which the heart and mind and soul of man are capable.

CONTRACTS LET ON WALWORTH ROADS

Madison and Racine Companies
Will Build Concrete Stretch-
es in 1923.

[SPECIAL TO THE GAZETTE.]
Elkhorn — Fess and Fess, Mad-
ison, and R. L. Blyskal, Racine,
were the successful bidders for
Walworth county road construction
jobs when bids were opened here
Wednesday. Sixteen contractors bid
for the four mile job. The Mad-
ison concern last year built the
Whitewater-Palmira road.
The Madison outfit will build the
four miles of concrete on Highway
No. 12 between Whitewater and
Elkhorn, at a cost of \$84,889.98.
The Blyskal construction company
will charge \$113,210.62 for building
five miles on the Elkhorn-Burlington
road. The bid was just \$135
less than that of the McGucken
Construction company, Milwaukee
which bid \$113,379.62.

Other Bidders on Job
The Elkhorn job was won by
Fess and Fess, Janesville, \$85,110-
44; J. R. Griffith, Racine, \$85,611;
Monad Construction company, Mil-
waukee, \$85,944; Whitewater
Bridgeway company, Whitewater, \$86,
504; Union Paving and Construction
company, Milwaukee, \$86,517; J. P.
Cullen and Son, Janesville, \$90,428;
Kroening Construction company,
Milwaukee, \$90,449; Nickel-Grahl
Construction company, Waukesha,
\$91,239; F. Doherty Construction
company, Milwaukee, \$92,022;
Road Construction company, Wis-
consin Rapids, \$93,539; J. R. Mc-
Carthy, Milwaukee, \$93,912;
Greunke Brothers, Appleton, \$94-
55; Wilson-Johnson, Appleton,
\$94,889; George Welch, Beloit, \$98-
531; and Paul C. Kroeck, Milwau-
kee, \$122,000.

Burlington Road Bids
Seven bids for the Burlington job
in the following order: Blyskal, Rac-
ine, \$113,210; McGucken Construc-
tion company, Milwaukee, \$113,379;
Monad Construction company, \$118,
542; Henry Horst, Rock Island,
\$120,705; Kroening company, Mil-
waukee, \$143,070; Nickel-Grahl
Construction company, Waukesha,
\$140,808; Paul C. Kroeck, Milwau-
kee, \$154,355.
The letting of contracts for these
two jobs is believed to be the first
in Wisconsin this year. For the
smaller job, the price is \$21,222 a
mile and for the larger \$24,600.
The county has several other
pieces that will be advertised soon,
the largest of which will be the
Lake Geneva-Genoa Junction road
No. 12 of nine miles. Indications
point to approximately the same
prices as in 1922.

TWO BIG ISSUES PLACED SQUARELY UP TO CONGRESS

(Continued from Page 1)
preparations must be forthcoming to build new ships to replace those now wearing out and other expenses must be met in order to keep government operation on an efficient basis.
Cutting Off Routes.
Incidentally Chairman Lasker of the shipping board told this correspondent that while individual members of the board might have held the view that after March 4th it will not be advisable to let off ship routes to Southern and Gulf ports he would by no means advocate such a policy. He declared he had just told this to Senator Fletcher of Florida, democrat and others who had inquired on the subject. Mr. Lasker said it was true the lines to the southern ports were unprofitable but they were no more unprofitable than the lines to other ports and that he believed it would be a narrow interpretation of government duty if it did anything after March 4th which could even remotely be construed as retaliation for the failure of Southern democratic senators to support the ship subsidy bill.
Mr. Lasker said that he had given Mr. Fletcher of Florida the figures on all ships. Senator Fletcher is a vigorous opponent of ship subsidy and while he is said to have warmly praised Mr. Lasker's operation of the shipping board he also said that the chairman's own work was proof of what could be done by efficient government management. Mr. Lasker is understood to have replied that senators had the much confidence in him they ought to be willing to accept his judgment as to the absolute need for ship subsidy after having made a thorough and intimate study of the subject from the inside.
Sorry for South.
"I feel sorry for the southern states," said Mr. Lasker afterwards. "While the shipping board will not adopt any policy of discrimination, it is apparent to me that if the ship subsidy program falls government operation will be successful and when that collapses and our ships are worn out, the private companies will themselves discriminate against the south and fail to make routes to southern ports. Circumstances ever which we have no control will destroy the shipping to southern ports in time if the ship subsidy program is disapproved — and it will not be through any action of the shipping board."
The chairman of the shipping board said some democratic senators had promised that if he would remain as the government's manager of shipping, they would be glad to support any requests he might make for new appropriations for government operation, even as much as \$100,000,000 a year for new ships. But he contended, that's just the rub. The alternative of ship subsidy is larger appropriations gradually to build new ships and he didn't believe the taxpayers would approve it or continue it for any length of time whereas private companies would do it because the subsidy would make it attractive as a business proposition and they would borrow most of their money in the open market.

Action "Time Short."
Only "eighteen legislative days are left on the congressional calendar. The time for action on ship subsidy grows short. Mr. Harding has been told by senators who have made a canvass the situation that if the ship subsidy measure comes to a vote it can be passed. The opponents of the bill know they can talk it to death and kill the bill by preventing a vote. But Mr. Harding wants congress to give the shipping board an alternative policy to guide it in the months of operation that will follow after March 4th and before the next session of congress could give to the subject any consideration.

ANOTHER POET IN VISIT TO BELOIT

In the second section of their contemporary poets, Miss Harriet Monroe, editor of "Poetry: A Magazine of Verse" of Chicago, spoke on "Modern Poetry and Poets" at Beloit college chapel, Wednesday night. She told of the growth of her magazine, now more than ten years old, and of the many poets, now famous, who had first poems published in "Poetry". Among them were Vachel Lindsay, Carl Sandburg, Robert Frost, Amy Lowell and Edgar Lee Masters. Miss Monroe also read poems by these people and some of her own efforts. Interest is attached to the third lecture, to be early in March, when Carl Sandburg, one of the country's foremost poets, will give the poems. Many Janesville people are planning to attend.

ORNAMENTAL LIGHT SYSTEM PLANNED

36 Posts to be Installed—Paving Also Voted for 1923.

Evansville—Evansville will install a 36-post ornamental lighting system, will do additional paving, and a number of water mains and hydrants will be installed during 1923, it was decided at the council meeting this week.

The lights will be installed between the library corner and the railroad tracks. It is planned to raise the money to pay for the lights by popular subscription. There will be 18 lights on each side of the street. The lamp will be of simple design on a 12-foot post.

The board of public works also will advertise for bids for putting in street pavement on West Main street between the south side of Second street and the west side of Fourth street, and West Main street from the city limits. Bids are also sought for 2,500 barrels of cement to be used in the paving of the streets, the bridges on the corner of Enterprise and Water streets, and for the lake dam.

Additional water mains and hydrants will be installed on Exchange street, Water street and Enterprise street.

Mrs. Irwin Cox was elected second supervisor of paved halls.

Evansville—Bert DeRemer, driver on the milk route for the D. E. Wood Butter company, is the milleg champion of Evansville.

For 21 years Mr. DeRemer has been making a 10 mile trip daily and for all the automobiles there are, no more than seven times around the world. He is now on his eighth trip of circumnavigating the earth.

His trip probably takes longer than any else, for he covers only 5,840 miles a year, which is about one-fifth of the mileage around the earth. Mr. DeRemer considers it a very sad occasion indeed when his record is broken and something interferes with his daily trip.

His long life in the open has done little harm to him, but that cannot be said of the wagon on which he has ridden and the horses which have drawn him. Mr. DeRemer traces the rise in the H. C. of L. by the difference in price of the wagons he has used and worn out.

My first wagon cost me only \$32. The next \$53. The next two were proportionately higher, and my fifth, which I am now using, set me back \$112," remarks Mr. DeRemer.

Mr. DeRemer is strong for horses

Janesville Fights, but Goes Down Before Union, 30-11

BLUES OUTPLAYED; SECONDS DEFEATED BY 13 TO 8 COUNT

(By Gazette Correspondent.)
Milton Junction—Fighting doggedly but futilely against a stronger and better balanced team, Janesville high school went down to defeat at the hands of Union high school's veteran five by a score of 30 to 11 Wednesday night. Coach Polan's boys, who had previously defeated the Blue Devils in the latter's floor 21 to 12, got the jump on the Blue City crew at the start, and after the first quarter were never in danger of being overtaken.
 Union drew first blood when Sunby came through with a free throw following a personal foul by Dickinson. A field goal by Austin made the count 4-0 in favor of the locals. At this point Dickinson slipped in a basket, the only one made by Janesville during the first quarter.

Stewart to Long Shots
 Union's lead was plainly evident in the second frame despite the fact that Janesville's offensive work showed some improvement. Unable to break through the home team's five man defense effectively, Janesville resorted to long shots, with the result that Dawson was successful twice out of several attempts in the second quarter. A basket by the Blue Devils in the third quarter put the count at 16-0 in favor of the locals. The second half was a walk-away for Union. Six points were scored in the third quarter to Janesville's none, and 10 in the last frame to five by the visitors. After Union's heavy score, Janesville's last basket brought the count to 25-7 in the fourth quarter. Coach McIntosh's aggression started a feeble rally that netted four points. A basket by long shot by Dawson was followed by one of Janesville's few exhibitions of good team work. A series of rapid cuts advanced the ball to Dickinson, who caged it from a position almost under the basket. At this stage Janesville's defense tightened again. Janesville made no field goals for good measure shortly before the final whistle blew.

Take the Ball Away
 Union's clever guarding, with Roberts and Mathie in particular doing effective work, was a noteworthy feature of the contest. Time after time Union intercepted Janesville's passes or recovered the ball by knocking it out of the hands of the players. Capt. Langhorne and Sunby did the bulk of Union's scoring, with six and four field goals, to their credit. Roberts, however, also attempted, but failed, to make a field goal. Lastin made two field goals and Mathie one.

Hard luck came on the trail of Dawson, Janesville's forward, throughout the first half. Nearly all of the big crowd held its breath while Dawson shot the ball straight as an arrow, directly above or against the netting ring, only to see it bounce into the waiting hands of a Union guard. Three of his attempts, however, proved successful, making him high scorer for the Blues. Dickinson got two baskets and a free throw.

In a thrilling preliminary game, Coach Polan's second team defeated the Janesville Blue Devils by a score of 13 to 8. The Union scrubs won the first half, 7 to 5, and the second half, 6 to 3. Several players on both teams showed promise of developing into good first string material.

BRINGING UP FATHER

Cats to Meet All-Stars from Madison, Thursday

Madison, seat of one of the greatest teams in the Big Ten basketball conference, will be represented on the caging floor at Janesville for the third time this season Thursday night. "Bill" Peir, Janesville student at the university, is bringing another aggregation of players here.

The visitors call themselves "The Madison All-Stars. They are men ineligible upon Badger teams. They play the Black Cats at the rink on South River street at 8:15 p. m.

A summary of the Peir's season shows 23 games played to date. Of these the Cats have won 16 and lost seven, an excellent record. The locals have piled up 709 points to their opponents' 497. This is an average of 30.8 points for each game for the Cats and 21.5 for the enemies.

The Peir's greatest margin of victory was 57 to 17 in beating the Dodgeville Bright Spots during the Christmas holidays. There were seven wins from the Spanghoun A. L. 30-23 and the Rockford Tom Cats, 18-21. They lost one game by one point, 24 to 23, to the Janesville team, one by seven points, one by nine points, one by 15 points and one by 27 points.

Considering that the team is composed of home boys, it is not surprising that from within an eight mile radius, this is an exceptionally good showing.

Beloit Backs New Circuit

Kenosha—Organization of the Midwest baseball league, composed of seven of the latest semi-pro industrial teams in the nation, was perfected Tuesday at a meeting of the managers in Chicago, according to announcement made here. Wednesday by T. F. Nielsen, representing the St. Simons company, one of the charter members. The league is the league are: Nash Motors, Kenosha; Simmons, Kenosha; Fairies, Beloit; Horlicks, Racine; Agathons, Madison; and the Kenosha team from Chicago. A strong industrial team from Chicago is seeking admission as the seventh member of the league.

Last fall the Gazette ran a news story to the effect that the Fairies would probably withdraw from the old Midwest league which had as members the Logan Square, the Pyotics, the City Halls and the Marquette Minors, all of Chicago. Trouble has been brewing in this circuit for some time, reports reaching Manager Al Chubb of the Beloit team and Billy Nielson of the Pyotics, have been pulling apart and the result would be a new circuit.

Fort Legion Five Beats Mines, 14-10, in Strong Battle

Fort Atkinson—Though the Wisconsin School of Mines broke forth with a great rally in the second half and out scored the local American legion by one basket in the period, Fort took a pretty victory here Tuesday night, 14 to 10. The locals were in the lead, 8-2, at half time.

The legionnaires consider themselves fortunate in beating the Miners, one of the strongest minor school teams in the middle west, which has been making a successful tour of Wisconsin, Illinois and Iowa. Muscibels of the Miners, is a Fort Atkinson boy and that made it possible to bring the team here.

Skate Entries End Tonight

Tom McKinnel, street commissioner, has jumped in line to help out for the second annual Gazette ice derby which will be held at 2 p. m. Saturday. He sent his men to the house pond to scrape the snow from the ice surface to get it in readiness for the big classic.

Again, it has been found necessary to do a little shuffling. The ice company started cutting blocks Wednesday on the river, making the out of the question to think of holding the derby at that place. So it is back to the gas pond.

Thursday night is the last chance to enter the meet. Any one who does not get his entry in by midnight had better make up his mind to stay out in the cold.

Six pairs of skates with shoes, one pair of skates and a pair of wool hose are the prizes. The shoe skates are donated by the Sheldon Hardware company. Premio Brothers, Douglas Hardware company, Safady Brothers, Gazette and the combination of Robert E. Burgess, Ford agent, Solomons' Women's Wear, Golden Eagle and Luby's shoe store. The skates are the gift of the Wood Hardware company. The woolen stockings are given by J. M. Boswell & Sons.

Cut out the blank now and send it in at once.

Parkers Defeated at Clinton, 31-8

Clinton—The Parker Duofolds of Janesville dropped to Clinton here Wednesday night, 31-8, before 200 fans. McCardle was the local star with eight field baskets and a free throw. After the game the Parkers were guests of Clinton at a dance. A return game will be played at Janesville in the near future.

RIFLE TEAM NO. 3 PEPPERS 923 SCORE

Team No. 3 hit 923 out of a possible 1,000 on the range of the Janesville Rifle club Wednesday night. Scores of prone and sitting, respectively: Pritchett, 99-34; J. Hamilton, 97-30; Lamer, 96-84; Schindler, 95-80; Conner, 96-84.

Other scores were Lambert, 92; J. Clark, 87; M. Clark, 87.

Janesville Women to Bid for State Bowling Meet

Backed by Beloit, Madison and Milwaukee, Janesville will go to the Cream City next Tuesday and bid for the 1924 meet of the Wisconsin Women's Bowling association. This was announced Thursday by Mrs. Oliver Gleason, this city, who has been elected a director on the state board. Mrs. J. Thomsen, Beloit, and Mrs. R. C. Kretlow, Madison, also state directors, will pull for Janesville. It is declared.

This year's meet is at Milwaukee. Last year it was at Madison and followed on the heels of the men's meet. "They want us to take the meet," said Mrs. Gleason, "because Janesville has been given the men's meet. It will be a hard job because the women are going to work for the men, but I think everybody will get behind us and help us make it go over."

The meeting Tuesday will be held at the Wisconsin hotel at 3 p. m. Janesville women bowlers, under the name of the C. Grant Ladies, will roll at the state meet next Thursday at 7:30 p. m. The team is composed of Mrs. Carrie Matthews, Miss Minnette Kropp, Mrs. Oliver Gleason, Miss Martha Kasmark.

FOOTVILLE

Footville.—Friday night a surprise was given Mr. and Mrs. W. H. Harnack at their home in Footville. Clayton Fisher's people had informed them that as Mr. Fisher was at home for a few days they would spend the evening with them and so Mr. and Mrs. Harnack decided to treat them to an "Oyster Stew" as a little surprise. Imagine their surprise when later in the evening a company of friends walked in with an abundance of good things to eat. The evening was spent in games and social intercourse and at 11 o'clock an oyster supper with other good things to eat was served and a delightful evening enjoyed by all.

Prof. W. E. Jervling, a former principal of the local school, was a week and guest of Clayton Harnack.

The meeting which was to have been held at the school house Saturday night to determine whether or not a consolidated school should be built in this village was postponed owing to the severe cold weather and will be held Saturday evening, Feb. 10.

Mrs. Lucetta Dickey Dooley was taken to Mercy hospital Sunday morning where she submitted to an operation and is reported to be doing nicely.

Much sickness prevails at the present time. Five members of the August Sarow family are ill with colds and influenza. Dorothy Doherty was absent from school several days the past week owing to illness. The George Schumacher family are convalescing after an illness with influenza. Miss Daisy Spencer has been caring for the members of the Schumacher family.

Mr. and Mrs. Herman Zuehlke entertained a company of relatives at dinner Sunday. The guests were Mr. and Mrs. Glenn Hughes, Janesville; Mr. and Mrs. Harley Working, Overton, Nebraska, who are here on a visit; Mr. and Mrs. Earl Goldsmith and son, Allen and John Goldsmith.

Miss Emma Goeck, who has been at Mercy hospital the past two weeks has recovered sufficiently to be brought to her home east of town.

Miss Ver. Delma Rote, who has been in Winona since early autumn returned a few days ago and is confined to her home with a sore cold.

The "Ruth" Division of Kluz Daughters will meet Wednesday afternoon with Miss Nellie Johnson. Rev. Edred Charles has a series of meetings Sunday night, his theme for discussion being "The Unpardonable Sin." Meeting opened with a song service. Rev. and Mrs. B. G. Glatfelter helped to make up the choir. Rev. Mr. Turner, Presiding Elder of the M. E. church, made the opening prayer with the dismissal by Rev. B. G. Glatfelter. Meetings will be held each evening this week except Saturday night and on this night there will be a meeting of the Patrons of this school district held at the school house to determine whether or not the village shall have a consolidated school building.

Thomas Flynn, who has been a great sufferer from asthma for the past ten years, passed away Saturday night at his home west of the village.

During the past week a son was born to Mr. and Mrs. Paul Zahn and a daughter to Mr. and Mrs. Thomas. Mrs. Frank Walters, mother of Mrs. Thomas is caring for Mrs. Thomas and babe.

CAINVILLE CENTER

Cainville Center.—Mrs. Frank Dooley was taken to Mercy hospital, Janesville, Sunday morning for an operation. She has been ill for the last month. Lynn Whaley came with his ambulance and moved here. Mrs. L. Andrew was a week end visitor with Mrs. Olive Fern, returning to her home in Beloit. Miss Ella Everling returned to her home in Madison Friday and Saturday.

Marion Andrew, Janesville high school came home Thursday for a short vacation. Evangelist E. H. Timberlake is drawing good audiences each evening. Helper Union will meet Thursday with Mrs. G. B. Rowland for an all day session. Charles Easton has returned to his home in Footville after a month's stay at the Kluameyer home. Walter Pierce will assist with the work there. The Royal Neighbors will meet Friday, Feb. 9, at 1:30. Mr. Will Dougherty and Mrs. Ross Keller will be the hosts. Mr. Frank Helgeson left Thursday for Emerald Grove where he will do deputy work for the Modern Woodmen of that place. Those attending the M. W. booster meeting at Edgerton, Saturday night, were Henry Cole, Charles Murvin, Ernest Selzer, T. M. Harper, G. B. Rowland, Ross Keller, George Everill, Elliott Frazer, John Dillies and Louis Dillies.

EAST PORTER

East Porter.—Will Hantke has been ill. Mrs. John Griffin is visiting Janesville relatives. Mr. and Mrs. Otto Manthel are ill. Dr. Cleary, Edgerton, is in attendance. The Misses Frances Condon, Reulah Hadley and Marie Fox attended the M. W. booster meeting in Madison Friday and Saturday. They also visited Madison friends. Mrs. Thomas Condon and sons, Robert and Harold, visited in

RHEUMATISM LEAVES YOU FOREVER

Deep Seated Uric Acid Deposits Are Dissolved and the Rheumatism Starts to Leave the System Within Twenty-four Hours.

Every Druggist in this country is authorized to say to every rheumatism sufferer that if a full pint bottle of Allenburh, the sure conqueror of rheumatism, does not show the way to stop the agony, reduce swollen joints and do away with even the slightest twinges of rheumatism, he will gladly return your money without comment.

Allenburh has been tried and tested for years, and really marvelous results have been accomplished in the most severe cases where all suffering and agony was intense and pitiful and where the patient was helpless.

James H. Allen, Rochester, N. Y., the discoverer of Allenburh, who for many years suffered the torments of rheumatism, declares that he is so sure to know that he does not want a cent of any one's money unless Allenburh decisively conquers this worst of all diseases, and he has instructed druggists to guarantee it as above in every instance. People's Drug Co. can supply you.

GAINS 20 POUNDS AND FEELS FINE

Wisconsin Woman Highly Eaten Over Results She Obtained By Taking Tanlac.

"Tanlac has actually built me up two pounds in weight, and I feel just grand again," is the grateful statement made recently by Mrs. Anna Rascels, Box 287, Route 4, West Allis, Wis. In a run-down condition I thought I would never pull through. I had been at the bedside of my little sick boy day and night, and when I did try to catch a little sleep was so nervous and weak it was almost impossible. I never wanted food and the little I did eat cramped and pained me terribly. My heart palpitated, faintly, and headaches, dizziness and backaches nearly made me end of me. "Since taking Tanlac my friends tell me I am the very picture of health, and I think it is just wonderful, for I have only taken three bottles—just half of the treatment. My troubles are entirely gone, and I feel better than I have in years." Tanlac is for sale by all good druggists. Over 35-million bottles sold. —Advertisement.

ORFORDVILLE

Orfordville.—The Ladies Aid society of the Methodist church met Tuesday at the home of Mrs. H. J. Taylor. There was a good attendance. Pies and luncheon were served. Thomas Taylor is visiting Mount Horeb friends. Harry McIntosh went to Madison Tuesday to submit to the government physical examination. G. C. Schuler has suddenly recovered to be able to attend to his duties at the depot. The women of the Methodist church will conduct a bakery sale in the drug store Saturday, Feb. 10. A variety of home baked articles will be on sale. The Milk Marketing company is planning taking over the creamery on the 16th inst. The company has arranged with the help now employed to continue in the business.

CARD PARTY.—Moose ladies will hold a card party Friday eve, Feb. 9, at Moose Hall. Bridge, 500 and Bunco will be played. —Advertisement.

UTTER'S CORNERS

Utters Corners.—A large number gathered at the Martha Everson home Thursday night to attend an entertainment given under the auspices of the Sunday school. Recitations were given, games played and refreshments served. No preaching services were held in the church Sunday, the Rev. Mr. Rice being in attendance at the Epworth League convention, Janesville. Lloyd Wright and family will move to Joliet, Ill., soon. A daughter was born Wednesday, Jan. 31, to Mr. and Mrs. Fred Wegner.

REPORT SHOWS BIG CROPS LAST YEAR

Corn, Hay, Potatoes, Oats, Rye and Peas Feature With Record Yield.

Madison.—Bumper crops of corn, hay and potatoes, and a record yield of 80 per cent greater than in 1921 a rye crop 40 per cent in excess of that grown the previous year, and a production of canning peas twice that of 1921, feature the summary of crop production during 1922, made Thursday by the state crop reporting service.

This summary shows that, with the exception of tobacco and the minor crops of spring wheat, sugar beets, buckwheat, hemp, timothy and flax seed, the 1922 production was much larger than that of the previous years. The large production of oats was grown on an average less than a year ago. The yield per acre is estimated at 41.5 bushels as compared to 24.3 bushels in 1921. The Wisconsin yield of oats per acre is the largest of all states. Production of oats was 192 million bushels, compared to 64 million in 1921.

Record Corn Harvest.
The record Wisconsin corn harvest was produced on an average of 56 1/2 bushels per acre. The yield is equivalent for the portion of the crop put into Wisconsin silos, which was 47 per cent of the corn acreage, the total production is 28 million bushels. Yield per acre of grain was 44.5 bushels as compared to 46.2 in 1921.

A larger acreage and a yield of 1.75 tons per acre of clover and timothy hay, compared to 1.28 tons a year ago, brought about a total production of 14,000,000 tons in Wisconsin that exceeds all previous hay crops. Over 5,000,000 tons is the 1922 production and record crop, compared to 4,200,000 tons in 1921.

The acreage of rye in 1922 was 32 per cent greater than a year ago. The total production was 7,000,000 bushels, compared to 5,000,000 bushels in 1921. The yield per acre was 14.5 bushels. The winter acreage suffered a decline in 1922 of 6 per cent of the 1921 acreage. Total production, however, is 14,000,000 bushels, compared to 11,000,000 bushels in 1921.

Big Potato Crop.
A yield of 124 bushels per acre of potatoes in 1922 as compared to a 5-year average yield previous to 1922 of 56.3 bushels, brought about a large production of potatoes. Production is estimated at 40,700,000 bushels.

The acreage of winter wheat in 1922 was 8 per cent greater than in 1921, and the yield was 18.6 bushels per acre. The 1922 production of 1,800,000 bushels is 25 per cent greater than the production in 1921.

The acreage of spring wheat on Wisconsin farms suffered a reduction of 35 per cent of the 1921 crop. The total production is estimated at 1,200,000 bushels in 1922 and 1,400,000 in 1921. The yield was 15.3 bushels per acre.

The acreage devoted to canning peas was 24 per cent greater than in 1921, and together with a larger yield per acre, the Wisconsin pea pack is estimated at 1,500,000 hundredweight, or 28 per cent greater than the 1921 pack of Wisconsin factories.

Least Acreage Decline.
A decline of 16 per cent in the tobacco acreage of the state and a yield per acre of 1,140 pounds brought about a total production of 46,000,000 pounds. This is a decrease of 25 per cent of the 1921 production.

Clover seed was harvested from 127,000 acres in 1922 as compared to 28,000 acres in 1921. The yield per acre was 1.0 bushels. Total production was 229,000 bushels, compared to 107,000 bushels in 1921. The production of cabbage in 1922 was 182,000 tons—almost three times the short crop of 57,000 tons in 1921. The acreage was 60 per cent greater than in 1921.

JEFFERSON
